PROFESSIONAL SUMMARY

BCA student with practical experience in Core/Advanced Java, JDBC, JavaFX, Servlets, and Spring Boot, focused on building reliable and scalable applications with modern Java tools and frameworks.

TECHNICAL SKILLS

Languages: Core Java, Advanced Java, C/C++

Web Technologies: HTML, CSS, JSP, Servlets, JavaFX, React (Basic)

Frameworks: Spring Boot, Spring Boot MVC

Databases: MySQL, JDBC, Hibernate

Tools: Maven, Apache Tomcat IDE:

Eclipse, IntelliJ IDEA

SOFT SKILLS

- Problem-solving
- Communication
- Adaptability
- Time management

INTERNSHIP EXPERIENCE

Java Development Intern – Netparam Technologies Pvt. Ltd. [Certificate](#)

May 2024 – August 2024

Worked on Core/Advanced Java for backend development, using JDBC for MySQL CRUD, JavaFX for GUI-based desktop apps, Servlets for handling HTTP requests, and assisted in Spring Boot projects by creating REST APIs and implementing MVC architecture.

PROJECTS

Office Dashboar [Link](#)

Built a full-stack Office Dashboard using Spring Boot, React, JWT, RBAC, and MySQL with employee/admin roles, OTP-based login, secure CRUD operations via JDBC/Hibernate, and reusable UI components.

Hotel Management System [Link](#)

Built a hotel management system using Spring Boot, React, JWT, RBAC, and MySQL with real-time room booking/cancellation, service management, secure customer access, and an admin panel for managing rooms, users, bookings, and hotel operations.

Blood Donation System [Link](#)

Developed a Blood Donation System using Spring Boot, Spring Security (Email OTP), React, and MySQL with role-based access for User/Admin/Hospital, enabling donor registration, blood search, hospital request management, and admin verification. Unity Trust Bank

Digital Banking System [Link](#)

Built secure digital banking web app with user/admin roles. Implemented UPI payments, loan management, ATM requests, and ledger-based transactions. Designed responsive frontend and automated EMI processing.

EDUCATION	COURSES & CERTIFICATIONS	Certificate
Bachelor of Computer Applications (BCA)	Short-Term Training in Python Programming	
Mewar University	MSME Technology Center, Bhiwadi
